Welcome to the survey for Fantasy2Reality Recommender System.

Throught this survey, we would like to collect user feedback on this personalize hiking trails recommender system. Thanks for participating in our survey.

* Indicates required question

Procedure

The procedures involve interacting with the Fantasy2Reality Webapp and completing an online survey about user experiences. We anticipate that this will take less than 15 minutes. The survey will ask you about important options about how you feel and how you are affected when using the application. The interaction with the website will be stored.

Confidentiality

Any potential loss of confidentiality will be minimized by collecting study data anonymously and storing any research data on secure servers.

If we write a report or article about this research project, your identity will be protected to the maximum extent possible. Your information may be shared with governmental authorities if you or someone else is in danger or if we are required to do so by law.

Right to Withdraw

Your participation in this research is completely voluntary. You may choose not to take part at all. If you decide to participate in this research, you may stop participating at any time. If you decide not to participate in this study or stop participating at any time, you will not be penalized or lose any benefits for which you otherwise qualify.

1. I Am 18 years of age or older. *

   Mark only one oval.

   ◯ Yes

2. I voluntarily consent to participate in this survey. *

   Mark only one oval.

   ◯ Yes
